

QCItemCurve::setPen

```
graph LR; A[QCItemCurve::setPen] --> B[QCItemCurve::pen]
```

A diagram showing a relationship between two Qt classes. On the left, a gray rectangular box contains the text 'QCItemCurve::setPen'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text 'QCItemCurve::pen'. Both boxes have a thin black border.

QCItemCurve::pen
